2. The resolution in the C.F. has since succeeded in the ballot held on 11-10-1947 and it is understood that it will be moved on the next non-official day fixed for the 16th October 1947. Since the last note on pp.4-6 above was written, orders have been issued in G.O.No.794 Fin. dated 11-10-1947 reconstituting the Retrenchment and Re-organisation Committee. In the above G.O. the terms of reference to the new Committee have been modified. The present position with reference to the resolution in C.F. may perhaps be restated as follows:

(a) Board of Revenue: At the instance of the late Re-organisation Committee a note has been prepared regarding the possibility of the abolition of the Board of Revenue. The subject has been included in the Agenda for the First Meeting of the new Re-organisation Committee to be held on 17-10-1947.

(b) Divisional Inspectors of Schools and Personal Assistants to District Educational Officers: One of the terms of reference to the new Committee is to consider the necessity for retaining superior officers, such as Conservator of Forests, Deputy Inspectors-General of Police, etc. This includes Divisional Inspectors of Schools also. A general note on this subject has been prepared and is included in the Agenda for the Meeting of the Reorganisation Committee to be held on the 17th October 1947.

At the instance of the Finance Re-organisation Department the question of abolition of one or other of the two categories (Divisional Inspectors of Schools and Personal Assistants to the District Educational Officers) has been referred to the Director of Public Instruction. When his reply is received the matter will be referred to the Reorganisation Committee specifically.

(c) Retrenchment in other Departments of Governments:

At the instance of the late Re-organisation Committee, all Heads of Departments were requested to submit statements showing the new appointments created in and after 1939-40 which have not already been abolished and a report on the feasibility of abolishing the posts. They were also requested to give full ~~and~~ reasons if it was considered necessary to continue the appointments either indefinitely or upto any specified date. Replies are still due from certain Heads of Departments and the matter will be placed before the Committee separately after all replies are received and scrutinized.

It may be stated in this connection that para 2(b) of G.O.No.794 Fin. dated 11-10-1947 specifically provides for consideration by the Re-organisation Committee of measures for reorganisation of Departments with a view to reducing cost and increasing efficiency.

3. The ^{file}~~case~~ may be circulated to H.M. Fin. for reference in the Assembly (it does not seem necessary to re-circulate the case to H.E.)

As the Assembly sessions were prorogued, the
a resolution of Srimati Lakshmi Ammal lapses automatically
and fresh notice will have to be given by the member if
the resolution should be considered at the next session
of the Assembly.

As the resolution has already lapsed, no further
action is called for on the resolution in the c.f. The
papers may therefore be recorded as G.O. for future reference.
